This policy should be read in conjunction with the following policies and other policies you feel it would be useful to refer to:

- 1.1 Attendance
- 1.2 Behaviour includes anti-bullying
- 1.3 Children Looked After
- 1.4 Equalities
- 1.5 SEN/Inclusion
- 1.6 Health & Safety
- 1.7 E-Safety (including use of social media)
- 1.8 Lettings
- 1.9 Staff Code of Conduct
- 1.10 Sex & Relationships
- 1.11 Visitors
- 1.12 Whistleblowing
- 1.13 Safer Recruitment

## 2. Introduction

- 2.1. At Aspire we believe that a policy on child protection is founded on the right of all children and people to be safe and feel safe, and that it is the fundamental obligation on all schools to robustly secure this right.

This aim of this policy is to provide staff, trustees and volunteers with the framework they need to keep children in Aspire safe and secure and to provide parents and carers with the information about how we will safeguard their children whilst in our care.

This policy has been developed in accordance with the principles established by the Children Acts 1989 and 2004; and in line with the following:

- “Working Together to Safeguard Children 2018” - July 2018 [Working Together To Safeguard Children July 2018](#)
- “Keeping Children Safe in Education”- statutory guidance for schools and further education colleges - Sept 2020 [https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/912592/Keeping\\_children\\_safe\\_in\\_education\\_Sep\\_2020.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/912592/Keeping_children_safe_in_education_Sep_2020.pdf)
- Information Sharing Guidance for Safeguarding Practitioners [Information Sharing Guidance](#) – DfE July 2018
- Children Missing Education; Statutory Guidance for Local Authorities - Sept 2016 [Children missing education - GOV.UK](#)
- Statutory Guidance issued under section 29 of the Counter-Terrorism and Security Act - 2015 [Prevent Duty Guidance](#)
- Sexual Violence and Sexual Harassment between Children in Schools and Colleges – May 2018 [Sexual Violence and Sexual Harassment between Children in Schools and Colleges](#)
- The Equality Act - 2010 [Equality Act 2010: guidance - GOV.UK](#)

- The United Nations Convention on the Rights of the Child (UNCRC) [United Nations Convention on the Rights of the Child](#)
  - What to do if you're worried a child is being abused - March 2015 [What to do if you are worried a child is being abused](#)
- 2.2.** We believe clear governance and leadership is central to embedding a safeguarding culture. The Trustees for Aspire take their responsibility seriously under section 157 of the Education Act 2002 to safeguard and promote the welfare of children; working together with other agencies to ensure adequate arrangements are in place within our school to identify, assess, and support those children who are suffering harm or whose welfare may be in question. Trustees will ensure all staff at the school have read and understood their responsibilities pertaining to Part 1, Part 5 and Annex A of Keeping Children Safe in Education, Sept 2020. They must ensure that there is an auditable system in place to evidence this.
- 2.3.** All staff are required to read and adhere to the Staff Code of Conduct which governs behaviours expected of them, as well as having an understanding of the Behaviour Policy for children and our Attendance Policy.
- 2.4.** We recognise all staff and Trustees have a full and active part to play in protecting our pupils from harm, actively promoting their welfare and ensuring that every child's welfare is our paramount concern. Each member of staff is responsible for contributing to a positive culture of safeguarding in Aspire.
- 2.5.** All staff believe our school must provide a safe, caring, positive and stimulating environment that promotes the social, physical and moral development of the individual children.
- 2.6.** The school recognises that as well as threats to the welfare of children from within their families, children may be vulnerable to abuse or exploitation outside their homes and from other children. Staff must remain vigilant and alert to these potential risks.
- 2.7.** The aims of this policy are:
- 2.7.1.** To protect children from maltreatment, prevent impairment of children's mental and physical health or development, ensure that children grow up in circumstances consistent with the provision of safe and effective care and enabling all children to have the best outcomes attending Aspire.
  - 2.7.2.** To support pupils' development in ways that will foster security, confidence and resilience, free from discrimination.
  - 2.7.3.** To provide an environment in which children feel safe, secure, valued and respected.
  - 2.7.4.** Children feel confident that they know how to approach adults if they are in difficulties.
  - 2.7.5.** To ensure all teaching staff, non-teaching staff and volunteers:
    - are aware of the need to safeguard and promote the wellbeing of children

- identify the need for support early to promote well-being
  - promptly report cases of actual or suspected abuse, in line with guidance from the Buckinghamshire Threshold Document
  - are trained to recognise signs and indicators of potential abuse
- 2.7.6.** To provide a systematic means of monitoring children known to be or thought to be at risk of harm and ensure contribution to assessments of need and support plans for those children.
- 2.7.7.** To acknowledge the need for effective and appropriate communication, ensuring staff know how and when to share information to protect children in a way that is legal, ethical and timely.
- 2.7.8.** To ensure Aspire has a clear system for communicating concerns and a model for open communication between children, teachers, parents/carers and other adults working with children.
- 2.7.9.** To have a clearly understood structured procedure within the school which will, in cases of suspected abuse, be promptly followed by all members of the school community.
- 2.7.10.** To ensure the school has robust systems in place to accurately record safeguarding and child protection concerns, which are clearly understood by staff and adhered to. Actions taken to address concerns and outcomes achieved are dealt with in a timely manner, clearly and accurately recorded. These records are securely stored.
- 2.7.11.** To develop effective working relationships with all other agencies involved in safeguarding, supporting the needs of children at our school.
- 2.7.12.** To ensure that all staff appointed have been through the safer recruitment process and understand the principles of safer working practices as set out in our Staff Code of Conduct, which stipulates their duty to report where behaviours of colleagues may have stepped outside of agreed safe practices. All staff must work to develop a positive culture of safeguarding in our school.
- 2.7.13.** To provide clarity to other community users of our facilities with regard to our expectations of how they should maintain a safe environment, which supports children's welfare and development. We reserve the right to decline access to use the school facilities where we believe their ethos or practice is not aligned with this policy.
- 2.7.14.** This policy is published on our website, hard copies are available from the school office upon request.

### 3. Responsibilities

- 3.1** All staff, visitors and volunteers understand safeguarding children is everyone's responsibility and that they must be diligent to help secure children's safety and wellbeing. Any person who receives a disclosure of abuse, an allegation or suspects that abuse may have occurred will report it immediately to James Sisk (Blueprint, Aspire) or, in their absence, to Tammy Nichols (Wycombe Grange), Kate Baptiste (CSEC, Chesham), Jo Slifi (Orchard House), Liz Haddock (Home Tuition South), Gill Lewendon (Home Tuition North). In addition to the above named persons, concerns can be brought to the attention of the most senior member of staff on the appropriate school site or directly with Debra Rutley (Head Teacher). Staff understand that if there is an immediate risk of harm then the police or First Response will be called directly and the DSL will be updated at the earliest opportunity (see the referral procedure in sections 4 and 7, and allegations against staff in section 9).
- 3.2** Staff must maintain a good working knowledge of the [Buckinghamshire Threshold Document](#) and any updates, how it can be used to safeguard and promote the wellbeing of pupils and how it should be used to inform decision making regarding a referral to First Response as soon as there is a significant concern.
- 3.3** Staff understand that the most common reason for children becoming looked after is as a result of abuse and/or neglect and that previously looked after children remain vulnerable. Staff have the skills, knowledge and understanding to keep both looked after children and previously looked after children safe.
- 3.4** Staff understand increased vulnerability and that barriers exist when recognising abuse and neglect for children with Special Educational Needs or Disabilities.
- 3.5** The Trustees understand and fulfil their safeguarding responsibilities. They must:
- 3.5.1** Ensure that the Headteacher and (when not the Headteacher) the DSL create and maintain a strong, positive culture of safeguarding within the school. Since September 2019 OFSTED inspectors will follow the Education Inspection Framework and report if arrangements for safeguarding children and learners are effective.
  - 3.5.2** Ensure that this policy reflects the unique features of the community we serve and the needs of the pupils attending our provision (see section 4). This will be reviewed at least annually in line with changes to guidance and legislation.
  - 3.5.3** Regularly monitor and evaluate the effectiveness of this Child Protection Policy and be satisfied that it is being complied with.
  - 3.5.4** Appoint a Designated Safeguarding Lead (DSL), who is a member of the Senior Leadership Team (SLT) and has the required level of authority, and also appoint at least one Deputy DSL. The Headteacher has overall responsibility for safeguarding within the school; they can be the DSL or can delegate that work to a member of the SLT. The SLT must report to the Headteacher on a regular

basis.

- 3.5.5** Recognise the importance of the role of the DSL, ensuring they have sufficient time, training, skills and resources to be effective. Refresher training must be attended every 2 years, in addition knowledge and skills must be refreshed at regular intervals, at least annually.
- 3.5.6** Ensure measures are in place for the trustees to have oversight of how the school's delivery against its safeguarding responsibilities are exercised and evidenced. Ensure robust structures are in place to challenge the Headteacher where there are any identified gaps in practice or procedures are not followed.
- 3.5.7** Recognise the vital contribution that the school can make in helping children to keep safe, through incorporation of safeguarding within the curriculum. This will also be taught through the PSHE curriculum and relevant issues through the Relationship Sex Education (secondary schools, compulsory from Sept. 2020). Ensure that through curriculum content and delivery children in the school understand, at age and stage appropriate levels, safeguarding and how to keep themselves safe in a contextually appropriate way.
- 3.5.8** Ensure safe and effective recruitment policies and disciplinary procedures are in place, which adhere to **Keeping Children Safe in Education, September 2020** and legislation referred to therein.
- 3.5.9** Ensure resources are allocated, as a priority, to meet the needs of pupils requiring child protection or early intervention.
- 3.5.10** Ensure the DSL completes an Annual Safeguarding Report for trustees, demonstrating how we are meeting our statutory responsibilities for safeguarding and promoting the welfare of children. Ensure a copy of this report is shared with the Education Safeguarding Advisory Service within the specified time frame.
- 3.6** It is the duty of Liz Hutton - Chair of Trustees to liaise with relevant agencies if any allegations are made against the Headteacher. If there are concerns that issues are not being progressed in an expedient manner, staff/pupils/parents/carers should escalate concerns to the Local Authority Designated Officer (LADO) via First Response.
- 3.7** The Trustees must ensure that a named teacher is designated for Children Looked After and that an up to date list of children who are subject to a Care Order or are accommodated by the County Council is regularly reviewed and updated. The school must work with the Virtual Schools Team to support the educational attainment for those children who are Looked After.
- 3.8** The Trustees have a statutory duty to appoint a Nominated Trustee for Child Protection. The Nominated Trustee must be familiar with [Buckinghamshire Safeguarding Children Partnership](#) procedures, Local

Authority procedures and guidance issued by the Department for Education. The Nominated Trustee must:

- 3.8.1** Work with the DSL to produce the Child Protection Policy annually.
  - 3.8.2** Undertake appropriate safeguarding training, to include Prevent Training.
  - 3.8.3** Ensure child protection is, as a minimum, an annual agenda item for the Governing Body.
  - 3.8.4** Meet at least termly with the DSL to review and monitor the school's delivery on its safeguarding responsibilities and to review the Single Central Record.
  - 3.8.5** The Trustees should ensure relevant staff have due regard to the relevant data protection principles, which allow them to share (and withhold) personal information, as provided for in the Data Protection Act 2018 and the GDPR. This includes: being confident of the processing conditions which allow them to store and share information for safeguarding purposes, including information which is sensitive and personal, and should be treated as 'special category personal data'.
  - 3.8.6** The Trustees should ensure staff understand that 'safeguarding of children and individuals at risk' is a processing condition that allows practitioners to share special category personal data. This includes allowing practitioners to share information without consent where there is good reason to do so, and that the sharing of information will enhance the safeguarding of a child in a timely manner but it is not possible to gain consent, it cannot be reasonably expected that a practitioner gains consent, or if to gain consent would place a child at risk. For schools, not providing pupils' personal data where the serious harm test under the legislation is met, e.g. in a situation where a child is in a refuge or another form of emergency accommodation, and the serious harms test is met, they must withhold providing the data in compliance with schools' obligations under the Data Protection Act 2018 and the GDPR. Where in doubt schools should seek independent legal advice.
  - 3.8.7** The Data Protection Act 2018 and GDPR do not prevent the sharing of information for the purposes of keeping children safe. Fears about sharing information must not be allowed to stand in the way of the need to safeguard and promote the welfare and protect the safety of children.
- 3.9** All trustees must complete safeguarding training on appointment, to also include Prevent training.
- 3.10** Overall responsibility for the safeguarding of pupils remains with the Headteacher, although tasks may be delegated to other members of the team, including the nominated DSL if appropriate. We have a Designated Safeguarding Lead (DSL) who is responsible for:

- 3.10.1** Creating a culture of safeguarding within the school, where children are protected from harm. Ensuring all staff receive an appropriate level of induction and training to support them to be professionally curious and vigilant in order to question behaviours and challenge perceptions if they have concerns for a pupil.
- 3.10.2** Ensuring children receive the right help at the right time using the Buckinghamshire Threshold Document to inform plans for support or protection (see Appendix 1 for definitions of the categories of abuse).
- 3.10.3** Ensuring referrals to partner agencies are followed up in writing, within 24 hrs of initial contact, including referrals to FirstResponse.
- 3.10.4** Establishing and embedding a policy and process for recording and storing information about child protection concerns and outcomes achieved, enabling records to be reviewed and an overview gained, in order to support timely interventions and allow prompt follow up. This includes use of the Escalation Process found on the BSCP website.
- 3.10.5** Ensuring safeguarding records, legislation and guidance are up to date and are maintained in accordance with data protection. Ensuring records are stored safely and securely and remain confidential. That:
- the DSL must share information, both internally and externally, on a 'need to know' basis only, being able to justify the reason for sharing and in accordance with the confidentiality policy.
  - all child protection files are held separately from pupil educational records.
- 3.10.6** Maintaining the record of staff safeguarding training. Ensuring that the Aspire School most up to date Child Protection Policy is widely available (this may be on the website), publishing the Safeguarding Statement and other relevant information on the school website. Ensuring that the safeguarding team contact details and photos are displayed in prominent areas around the school and also on the website.
- 3.10.7** Being the designated point of contact for staff to be able to discuss and share their concerns, developing a culture whereby staff feel comfortable to do so. In their absence the DSL will ensure the Deputy DSL, or most senior member of staff, is available (The DSL and the Deputy are both trained to the same level within our school).
- 3.10.8** Being available to staff and outside agencies during school hours and term time for consultation on safeguarding concerns raised. Having responsibility to ensure that cover is arranged outside of term-time during working hours.
- 3.10.9** During residential and extended school hours, ensuring

arrangements are in place for staff to have a point of contact.

- 3.10.10** Contributing effectively to multiagency working, for the safeguarding and promotion of the welfare of children, this could include:
- participating in Strategy discussions;
  - attending Child Protection Case Conferences;
  - submitting reports to the conference, which must be shared in advance with the parents/carers;
  - contributing effectively and taking shared responsibility for core group meetings with all other agencies involved;
  - engaging fully, as requested, in any other multi-agency planning meetings;
  - contributing to the Framework for Assessments process;
  - ensuring coverage is available at all times during the year
- 3.10.11** Providing the Headteacher (if the Headteacher is not the DSL), with an annual report for the trustees, detailing how school delivers on its safeguarding responsibilities and any child protection issues within the school. The trustees will use this report to fulfil its responsibility to provide the Local Authority with information about their safeguarding policies and procedures.
- 3.10.12** Meeting regularly at least once a term with the Nominated Trustee to share oversight of the safeguarding provision within the setting, monitor performance and develop plans to rectify any gaps in policy or procedure.
- 3.10.13** Meeting the statutory requirement to keep up to date with knowledge, enabling them to fulfil their role, including attending mandatory and any other additional relevant training.
- 3.10.14** Referring immediately to the Police any cases where a criminal offence may have been committed or risk of harm is imminent.

## **4. Procedures**

Our school procedures for all staff, volunteers and visitors in safeguarding and protecting children from harm are in line with Buckinghamshire County Council and [Buckinghamshire Safeguarding Children Partnership](#) safeguarding procedures, “Working Together to Safeguard Children 2018”, “Keeping Children Safe in Education” 2020 and statutory guidance issued under section 29 of the Counter-Terrorism and Security Act 2015.

We will ensure:

- 4.1** We have a designated member of the Senior Leadership Team who has undertaken appropriate training for the role, as recommended by the BSCP. Our Designated Safeguarding Lead (DSL) will be required to update their training in accordance with the Learning Pathway agreed by the BSCP.

- 4.2** We have x5 members of staff who are Deputy Safeguarding Leads across all school sites who will act in the DSL's absence and who have also received training for the role of DSL. In the absence of an appropriately trained member of staff, the most senior member of staff on site will assume this role.
- 4.3** All adults (including supply teachers and volunteers) new to our school are made aware of the school's policy and procedures for child protection, the name and contact details of the DSL, their role and responsibilities under "Keeping Children Safe in Education 2020" and the booklet "What to do if You're Worried a Child is Being Abused". They will have these explained, as part of their induction into the school.
- 4.4** Visitors must be :
- 4.4.1** Clearly identified with visitor/contractor passes.
  - 4.4.2** Met and directed by school staff/representatives.
  - 4.4.3** Signed in and out of the school by school staff.
  - 4.4.4** Given a safeguarding leaflet to read, or directed to a poster informing them of how to report a concern.
  - 4.4.5** Given restricted access to only specific areas of the school, as appropriate.
  - 4.4.6** Escorted by a member of staff/representative as required.
  - 4.4.7** Given access to pupils restricted to the purpose of their visit.
- 4.5** All members of staff must complete regular safeguarding training, attend regular refresher training and partake in any training opportunities arranged or delivered by the DSL. Updates must be cascaded to all staff throughout the year, at a minimum of once a year.<sup>1</sup>
- 4.6** All parents/carers must be made aware of the school's responsibilities in regard to child protection procedures through this policy, which is available on our website. Hard copies are also available from the school office.
- 4.7** All staff must follow the reporting procedures as follows when reporting any child protection concerns:
- 4.7.1** Staff must ensure the child is in a safe place and in receipt of support;
  - 4.7.2** Staff must initially make a verbal report to the DSL to alert them to the safeguarding/child protection concern via CPOMS;
  - 4.7.3** Staff must make a written report using CPOMS, the school record keeping process; the time and date will be automatically recorded upon entry, this entry will be attached to the staff member who completed the form, you can alert and assign to a DSL sending a real time notification to a chosen staff member.
  - 4.7.4** All recording of any child protection concerns should be placed on the school system as soon as practicably possible.

- 4.7.5** A factual account of the incident must be recorded, including who was involved, what was said/seen/heard, where the incident took place and any actual words or phrases used by the child;
- 4.7.6** Use a body map to record any injuries seen or reported by the child, available within CPOMS entry:
- 4.7.7** The DSL must record any outcomes achieved / taken as a result of the CPOMS entry, this may include a 'watching brief'.
- 4.8** Through our Attendance Policy, we have a robust system for monitoring attendance and will act to address absenteeism with parents/carers and pupils promptly and identify any safeguarding issues arising. School will work closely and proactively with parents / multi agency partners to overcome any barriers the child may have affiliated with attending school.
- 4.9** All children attending our school are required to have a minimum of two identified emergency contacts.
- 4.10** Any pupil absent for ten school days, where it has not been possible to make contact with a parent/carer, will be reported as a Child Missing in Education (CME) using the Buckinghamshire CME Protocol.
- 4.11** Any absence, without satisfactory explanation, of a pupil currently subject to a child protection or child in need plan is immediately referred to their social worker.
- 4.12** Parents/carers must inform school if there are any changes to a pupil's living arrangement. Aspire has a mandatory duty to inform the local authority, via the First Response Team, if a child under the age of 16 years old lives with someone other than their parent, step-parent, aunt, uncle or grandparent for a period of more than 28 days. This is defined as being a private fostering arrangement.
- 4.13** All staff, parents/carers and children are made aware of the school's escalation process, which can be activated in the event of concerns not being resolved after the first point of contact. We acknowledge an individual's safeguarding responsibility does not end once they have informed the DSL of any concerns, although specific details of further actions may be appropriately withheld by the DSL as information will only be shared on a need to know basis.
- 4.14** Our lettings policy reflects the ongoing responsibility the school has for safeguarding those using the site outside of normal school hours, ensuring the suitability of adults working with children on school sites at any time. School must have sight of the up to date Child Protection Policy of any organisation hiring the school's facilities.
- 4.15** The school operates Safer Recruitment practices, including ascertaining the suitability of volunteers and employed staff, both employed directly or via an agency, who are working in regulated activities.

---

<sup>1</sup> "Keeping Children Safe in Education 2020" states that staff should receive regular training. Buckinghamshire County Council advises that this takes place no longer than 3 years in between refresher training.

**4.16** Allegations against members of staff, including volunteers, are referred to the Local Authority Designated Officer (LADO).

**4.17** Our procedures are reviewed and updated annually as a minimum, or as there are changes to legislation.

## **5. Retention of Records**

**5.1** When a disclosure of abuse or an allegation against a member of staff or volunteer has been made, our school must have a record of this. These records are maintained in a way that is confidential and secure, in accordance with our Record Keeping Policy and Data Protection Legislation.

**5.2** There is a statutory requirement for our school to pass any child protection records to the pupil's next school. We are required to have an auditable system in place to evidence we have done so. Any transfer of records will be carried out using a secure method through CPOMS and will be sent separately to the pupil's general file.

**5.3** The last statutory school maintains child protection files until a pupil reaches the age of 25 years, therefore if the transfer school is unknown, or a pupil is going to be electively home educated, any child protection files will remain at our school in a secure location. Child protection files will only be destroyed when the pupil reaches their 25th birthday.

**5.4** We have a robust system for reviewing our archived information held. Our files are stored and disposed of in line with GDPR protocols.

## **6. Confidentiality**

**6.1** We recognise that all matters relating to child protection are confidential.

**6.2** The Headteacher or Designated Safeguarding Lead must only disclose personal information about a pupil to other members of staff on a need to know basis.

**6.3** Staff must not keep duplicate or personal records of child protection concerns. All information must be reported to the Designated Safeguarding Lead and securely stored in the designated location within the school, separate from the pupil records.

**6.4** All staff are aware they cannot promise a child to keep secrets which might compromise the child's safety or well-being or that of another as they have a duty to share. Staff must, however, reassure the child that information will only be shared with those people who will be able to help them and therefore need to know.

**6.5** We will always undertake to share our intention to refer a child to Social Care (First Response) with their parent/carer's consent, unless to do so could put the child at greater risk of harm or impede a criminal investigation. If in doubt, we will consult with First Response on this point. We recognise that GDPR must not be a barrier for sharing information regarding safeguarding concerns.

## 7. Dealing with a disclosure

In the event of a child disclosing abuse staff must:

- 7.1 Listen to the child, allowing the child to tell what has happen in their own way, and at their own pace. Staff must not interrupt a child who is freely recalling significant events.
- 7.2 Remain calm. Be reassuring and supportive, endeavouring to not respond emotionally.
- 7.3 Not ask leading questions. Staff are reminded to ask questions only when seeking clarification about something the child may have said or to gain sufficient information to know that this is a safeguarding concern.
- 7.4 Make an accurate record of what they have seen/heard using the school's record keeping processes, recording; times, dates or locations mentioned, using as many words and expressions used by the child, as possible. Staff must not substitute anatomically correct names for body part names used by the child.
- 7.5 Reassure the child that they did the right thing in telling someone.
- 7.6 Staff must explain to the child what will happen next and the need for the information to be shared with the DSL.
- 7.7 In the unlikely event the DSL and deputy DSL not being available, staff are aware they must share concerns with the most senior member of staff.
- 7.8 **If there is immediate risk of harm to a child, staff will NOT DELAY and will ring 999.**
- 7.9 The child will be monitored/accompanied at all times following a disclosure, until a plan is agreed as to how best they can be safeguarded.
- 7.10 Following a report of concerns the DSL must:
  - 7.10.1 Decide whether there are sufficient grounds for suspecting significant harm, in which case a referral must be made to First Response and the police if it is appropriate. The rationale for this decision should be recorded by the DSL.
  - 7.10.2 Normally the school should try to discuss any concerns about a child's welfare with parents/carers and, where possible, obtain consent before making a referral to First Response. However, in accordance with DfE guidance, this should only be done when it will not place the child at increased risk or could impact a police investigation. Where there are doubts or reservations about involving the child's family, the DSL should clarify with First Response or the police whether the parents/carers should be told about the referral and, if so, when and by whom. This is important in cases where the police may need to conduct a criminal investigation. The child's views should also be taken into account.
  - 7.10.3 If there are grounds to suspect a child is suffering or is likely to suffer significant harm, the DSL (or Deputy) must contact First

Response by telephone in first instance and then completing the Multi Agency Referral Form (MARF) making a clear statement of:

- the known facts
- any suspicions or allegations
- whether or not there has been any contact with the child's family

**7.10.4** If the child is in immediate danger and urgent protective action is required, the police must be called. The DSL must then notify First Response of the occurrence and what action has been taken.

**7.10.5** If a child needs urgent medical attention, the DSL (or Deputy) should call an ambulance via 999. DSL to contact First Response; advice to be sought from First Response about informing parents/carers.

## **8. Multi Agency working**

**8.1** Schools and colleges have a pivotal role to play in multi-agency safeguarding arrangements. Trustees should ensure that Aspire contributes to multi-agency working in line with statutory guidance Working Together to Safeguard Children.

**8.2** New safeguarding partners and child death review partner arrangements are now in place. Locally, the three safeguarding partners (the local authority; a clinical commissioning group for an area within the local authority; and the chief officer of police for an area (any part of which falls) within the local authority area) will make arrangements to work together with appropriate relevant agencies to safeguard and promote the welfare of local children, including identifying and responding to their needs.

**8.3** It is especially important that schools and colleges understand their role in the three safeguarding partner arrangements. Trustees and the senior leadership team, particularly designated safeguarding leads, should make themselves aware of and follow their local arrangements. Aspire staff will follow the in place 'working together' guidance for Buckinghamshire schools and partner agencies.

## **9. Supporting Staff**

**9.1** We recognise that staff becoming involved with a child who has suffered harm, or appears to be likely to suffer harm, could find the situation stressful and upsetting.

**9.2** We will support such staff by providing an opportunity to talk through their anxieties with the DSL and to seek further support if necessary. This could be provided by the Headteacher or another trusted colleague, Occupational Health, and/or a representative of a professional body, Employee Assistance Programme (PAM) or trade union, as appropriate.

**9.3** In consultation with all staff, we have adopted a Code of Conduct for staff working in our school. This forms part of staff induction and is in the staff handbook. All staff know how to access the Code of Conduct to refer to it, the Code of Conduct can be located on the schools website.

- 9.4** All staff are required to sign that they have read, understood and agree to comply with the agreed standards of practice set out in the staff Code of Conduct.

## **10. Allegations against staff, supply staff and volunteers (including Trustees)**

- 10.1** All school staff (including supply staff) and volunteers must take care not to place themselves in a vulnerable position with a child. It is always advisable for interviews or work with individual children or parents/carers to be conducted in view of other adults (See also section 7 above). There must be no 1:1 contact between staff and pupils which is not “open to the casual observer”
- 10.2** We understand that a pupil may make an allegation against a member of staff or volunteer. If such an allegation is made, the member of staff notified of the allegation will immediately inform the Headteacher or the most senior member of SLT if the Headteacher is not present.
- 10.3** The Headteacher/member of SLT on all such occasions must immediately discuss the content of the allegation with the Local Authority Designated Officer (LADO). The purpose of an initial discussion is for the LADO and the Case Manager to consider the nature, content and context of the allegation and agree a course of action.
- 10.4** The Head Teacher/member of SLT must:
- 10.4.1** Follow all advice given by the LADO throughout the investigation process, including how to manage the staff member or volunteer against whom the allegation is made, as well as supporting other staff and volunteers within the workplace.
  - 10.4.2** Follow all advice given by the LADO relating to supporting the child making the allegation, as well as other children connected to the organisation.
  - 10.4.3** Ensure feedback is provided to the LADO about the outcome of any internal investigations.
- 10.5** If the allegation made to a member of staff concerns the Headteacher, the person receiving the allegation will immediately inform the Chair of Trustees who will consult the LADO without notifying the Headteacher first.
- 10.6** The school will follow the local safeguarding procedures for managing allegations against staff and volunteers, a copy of which can be found located in our policy section on the shared drive.
- 10.7** Suspension of the member of staff against whom an allegation has been made needs careful consideration and, if necessary, we will consult with the LADO in making this decision. Guidance will also be sought from HR.
- 10.8** If a suspension is made, restrictions will apply to all staff and volunteers regarding contact with them whilst they are suspended, including contact via social media, such as Facebook and Twitter.

- 10.9** Our lettings agreement for other users requires that the organiser will follow the Buckinghamshire County Council procedures for managing allegations against staff and where necessary, the suspension of adults from school premises.
- 10.10** Should an individual staff member, trustee or volunteer be involved in child protection, other safeguarding procedures or Police investigations in relation to abuse or neglect, behaved in a way that has harmed a child, or may have harmed a child, possibly committed a criminal offence against or related to a child, behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children or behaved or may have behaved in a way that indicates they may not be suitable to work with children, they must immediately inform the Head Teacher. In these circumstances, the school will need to assess whether there is any potential for risk of transfer to the workplace and the individual's own work with children.

## **11. Whistleblowing**

- 11.1** We have a Whistleblowing Policy which can be found on our school shared drive. Staff are required to familiarise themselves with this document during their induction period.
- 11.2** All staff must be aware of their duty to raise concerns about the attitude or actions of colleagues and report their concerns to the Headteacher or Chair of Trustees.

## **12. Physical intervention/Positive handling**

- 12.1** Our policy on physical intervention/positive handling by staff is set out separately, as part of our Behaviour Policy. Our policy complies with the Department for Education Guidance. All staff follow the 'Team Teach' model for Physical Intervention and use physical intervention only '**as a last resort**'.

## **13. Anti-Bullying**

- 13.1** Anti-Bullying is referenced within the Behaviour Policy and measures are in place to prevent and respond to all forms of bullying, which acknowledges that to allow or condone bullying may lead to consideration under child protection procedures.
- 13.2** Staff, pupils and parents are made aware of how mobile technologies are increasingly being used to bully children both in and outside of the school environment, cyber bullying is therefore referenced within our Behaviour policy.
- 13.3** Aspire have a zero tolerance to bullying behaviour, escalation processes will be followed with police intervention if necessary should repeated patterns emerge targeting pupils within the school community.

## **14. Discriminatory Incidents**

- 14.1** In line with the Equalities Act 2010, our Equalities and Cohesion Policy addresses all forms of discriminatory incidents. It takes into account the guidance offered by the Buckinghamshire guidance document 'Equally Safe – Dealing with Prejudice Related Incidents Guidance for Schools'.

## **15. Health and Safety**

- 15.1** We recognise the importance of safeguarding pupils throughout the school day. Our Health and Safety policy reflects the consideration we give to the protection of our children, both physically and emotionally, within the school environment.
- 15.2** Part of the safeguarding measures we have in place include the safe dropping off and collection of pupils at the start and end of the school day. Pupils are allocated a taxi if they live 3+miles from their school base. All parents are contacted each morning should a pupil not arrive for school by their chosen method of travel e.g. taxi, walk, other if the parent/carer has not contacted the school to inform us of absence.
- 15.3** Pupils who leave the site during the school day do so only with the written permission of a parent/carer and are collected by an authorised adult where appropriate. School should be notified by the parents/carers regarding whom they have authorised for this task. Pupils leaving the school site will be signed out, confirmation maybe sought from the parent/carer if the school site deem appropriate.
- 15.4** In the event of a pupil going missing during the course of the school day we will carry out immediate checks to ensure the pupil is not on site, we will then make contact with the pupil's parents/carers and inform the police after specified agreed time (15mins).

## **16. Prevent Duty & Channel**

- 16.1** We are aware of the Prevent Duty under Section 26 of the Counter Terrorism and Security Act 2015 to protect young people from being drawn into terrorism. This is as a safeguarding matter like any other and these processes will be applied to support children and their families where vulnerabilities are identified.
- 16.2** All school staff and trustees have completed Prevent training.
- 16.3** We have in place and monitor appropriate web filtering systems so that pupils cannot view potentially extreme material.
- 16.4** Staff understand the need for a culture of vigilance to be present in the school to support safeguarding. This includes awareness and sensitivity to changes in the attitudes of pupils, which may indicate they are at risk of radicalisation.
- 16.5** Channel is a voluntary, confidential support programme which focuses on providing support at an early stage to people who are identified as being vulnerable to being drawn into terrorism. Prevent referrals may be passed to a multi-agency Channel panel, which will discuss the individual referred to

determine whether they are vulnerable to being drawn into terrorism and consider the appropriate support required. A representative from the school or college may be asked to attend the Channel panel to help with this assessment. An individual's engagement with the programme is entirely voluntary at all stages.

- Guidance on Channel is available at <https://www.gov.uk/government/publications/channel-guidance>

## **17. E-Safety**

- 17.1** All staff are aware of the school policy on E-Safety which sets out our expectations relating to:
- 17.1.1** Creating a safer online learning environment,
  - 17.1.2** Giving everyone the skills, knowledge and understanding to help children stay safe on-line, question the information they are accessing and support the development of critical thinking,
  - 17.1.3** Inspiring safe and responsible use of mobile technologies, to combat behaviours on-line which may make pupils vulnerable, including sexting (youth-produced sexual imagery),
  - 17.1.4** Use of mobile technology both within school and on school trips/ outings
  - 17.1.5** Use of camera equipment, including smart phones,
  - 17.1.6** What steps to take if there are concerns and where to go for help,
  - 17.1.7** Staff use of social media as set out in the Staff Code of Conduct.
- 17.2** Cyber-bullying by children, via texts, social media and emails, will be treated as seriously as any other type of bullying and will be managed through our anti-bullying procedures. This includes sexting and image exchange under threat or through coercion.
- 17.3** Pupils, staff and parents/carers are supported to understand the risks posed by:
- 17.3.1** the CONTENT accessed by pupils
  - 17.3.2** their CONDUCT on-line
  - 17.3.3** and who they have CONTACT with in the digital world.
- 17.4** We have a separate Mobile Phone Policy which sets out the acceptable use of mobile technologies by pupils whilst onsite. This includes sanctions which will be applied when these boundaries are not adhered to.
- 17.5** Visitors to our school are respectfully requested to turn all mobile devices off. This is a safeguarding measure for our pupils.
- 17.6** Staff use of mobile technology whilst on site is set out in the Staff Code of

Conduct.

**17.7** Where children are being asked to learn online at home the following resources have been provided to support schools and colleges do so safely:

**17.7.1** <https://www.gov.uk/government/publications/covid-19-safeguarding-in-schools-colleges-and-other-providers/coronavirus-covid-19-safeguarding-in-schools-colleges-and-other-providers>

**17.7.2** <https://www.gov.uk/guidance/safeguarding-and-remote-education-during-coronavirus-covid-19>

## **18. Sexting**

Sexting', also referred to as 'youth produced sexual imagery', is one of a number of 'risk-taking' behaviours associated with the use of digital technologies, social media or the internet. It is accepted that children experiment and challenge boundaries and therefore the risks associated with 'online' activity can never be completely eliminated.

**18.1** Staff, pupils and parents/carers are supported, via training, to understand the creation and sharing of sexual imagery, such as photos or videos, of under 18s is illegal. This includes images of pupils themselves if they are under the age of 18.

**18.2** Any youth produced sexual imagery disclosures will follow the normal safeguarding practices and protocols for our school. We will also use the guidelines for responding to incidents, as set out in the publication '[Sexting in Schools and Colleges](#)' produced by the UK Council for Child Internet Safety.

**18.3** If the incident meets the threshold it may be necessary to refer to the police in a timely manner; contact will be through a safer schools officer, a PCSO (Police Community Security Officer), local neighbourhood police or by dialling 101. Such a report will result in an Outcome 21 record being generated by the police. We will always endeavour to speak to the parents/carers of the pupils involved prior to any report being made to the police.

## **19. Peer on Peer Abuse**

Aspire believes that all children have a right to attend school and learn in a safe environment free from harm by both adults and other pupils. We recognise that some safeguarding concerns can occur via peer on peer abuse.

**19.1** All staff operate a zero-tolerance policy to peer on peer abuse and will not pass off incidents as 'banter' or 'just growing up'.

**19.2** All staff recognise that peer on peer issues may include, but may not be limited to:

**19.2.1** Bullying (including cyber bullying)

**19.2.2** Racial abuse

- 19.2.3 LGBTQ abuse
- 19.2.4 Physical abuse, such as hitting, hair-pulling, shaking, biting or other forms of physical harm
- 19.2.5 Sexual violence and sexual harassment
- 19.2.6 Abuse related to sexual orientation or identity
- 19.2.7 Sexting as set out in section 17
- 19.2.8 Initiation type violence and rituals
- 19.2.9 Emotional abuse
- 19.3 The following will be considered when dealing with incidents:
  - 19.3.1 Whether there is a large difference in power between the victim and perpetrator i.e. size, age, ability, perceived social status or vulnerabilities, including SEND, CP/CIN or LAC
  - 19.3.2 Whether the perpetrator has previously tried to harm or intimidate pupils
  - 19.3.3 Any concerns about the intentions of the alleged perpetrator
- 19.4 In order to minimise the risk of peer on peer abuse taking place, school must:
  - 19.4.1 Deliver PSHE to include teaching pupils about how to keep safe and understanding what acceptable behaviour looks like
  - 19.4.2 Ensure that pupils know that all members of staff will listen to them if they have concerns and will act upon them
  - 19.4.3 Have systems in place for any pupil to be able to voice concerns
  - 19.4.4 Develop robust risk assessments if appropriate
  - 19.4.5 Refer to any other relevant policies when dealing with incidents, such as the Behaviour Policy.
- 19.5 We recognise that 'Upskirting' involves taking a photograph under an individual's clothing without their knowledge. We understand that it causes the victim distress and humiliation. Staff recognise that 'Upskirting' is a criminal offence and must promptly report any such incidence to the Headteacher, DSL or most senior member of staff.
- 19.6 Reference will be made to the following government guidance and part 5 of the Keeping Children Safe in Education, Sept 2020 to ensure that all staff have an understanding of the serious nature of sexual violence and sexual harassment between children in schools. [Sexual violence and sexual harassment between children in schools and colleges - GOV.UK](#)

## 20. Cultural Issues

- 20.1 As a school we are aware of the cultural diversity of the community around us
- ASPIRE Child Protection Policy – Sept 2020

and work sensitively to address the unique culture of our pupils and their families as they relate to safeguarding and child protection. This includes children at risk of harm from abuse arising from culture, faith and belief on the part of their parent, carer or wider community.

- 20.2** Staff must report concerns about abuse linked to culture, faith and beliefs in the same way as other child protection concerns.

## **21. 'Honour' Based Abuse**

- 21.1** Staff at our school understand there is a legal duty to report known cases of Female Genital Mutilation (FGM) and So Called 'Honour' Based Abuse to the police and they will do this with the support of the DSL. [Mandatory reporting of female genital mutilation: procedural information - GOV.UK](#)
- 21.2** Our school is aware of the need to respond to concerns relating to forced marriage and understand that it is illegal, a form of children abuse and a breach of children's rights. We recognise some pupils, due to capacity or additional learning needs, may not be able to give an informed consent and this will be dealt with under our child protection processes. Aspire staff can contact the Forced Marriage Unit if they need advice or information. Contact 020 7008 0151 [fm@fco.gov.uk](mailto:fm@fco.gov.uk)
- 21.3** We are aware of the signs of FGM [Female genital mutilation \(FGM\) | NSPCC](#)
- 21.4** We recognise both male and female pupils may be subject to honour based abuse e.g. where children's cultural background are at odds with their behaviours such as sexuality, under-age sex, relationships, and gender identity or life style choices.
- 21.5** We promote awareness through training and access to resources, ensuring that the signs and indicators are known and recognised by staff.
- 21.6** Any suspicions or concerns for forced marriage are reported to the DSL who will refer to First Response or the police if emergency action is required.

## **22. Contextual Safeguarding**

Contextual Safeguarding is an approach to understanding, and responding to, children's experiences of significant harm beyond their families. It recognises that the different relationships that children form in their neighbourhoods, schools and online can feature violence and abuse. Parents and carers may have little influence over these contexts, and children's experiences of extra-familial abuse can undermine parent/carer-children relationships.

- 22.1** At Aspire we recognise that pupils may encounter safeguarding issues that happen in the wider community and we will respond to such concerns, reporting to the appropriate agencies in order to support and protect the pupil.
- 22.2** All staff, and especially the DSLs, will consider the context of incidents that occur outside of school to establish if environmental factors may be putting the pupil's welfare and safety at risk. Staff within Aspire will consider

whether children are at risk of abuse or exploitation in situations outside their families. Extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence.

- 22.3** Children who may be alleged perpetrators will also be supported to understand the impact of contextual issues on their safety and welfare.
- 22.4** In such cases the individual needs and vulnerabilities of each child will be considered.

### **23. Children potentially at greater risk of harm**

- 23.1** Children may need a social worker due to safeguarding or welfare needs. Children may need this help due to abuse, neglect and complex family circumstances. A child's experiences of adversity and trauma can leave them vulnerable to further harm, as well as educationally disadvantaged in facing barriers to attendance, learning, behaviour and mental health.
- 23.2** Local authorities should share the fact a child has a social worker, and the designated safeguarding lead should hold and use this information so that decisions can be made in the best interests of the child's safety, welfare and educational outcomes, this information is held on a safeguarding tracker and can be accessed by all designated persons within school.
- 23.3** Where children need a social worker, this should inform decisions about safeguarding (for example, responding to unauthorised absence or missing education where there are known safeguarding risks) and about promoting welfare (for example, considering the provision of pastoral and/or academic support, alongside action by statutory services).

### **24. Serious Violence**

- 24.1** All staff are aware of signs and indicators which may signal that children are at risk from, or are involved with, serious violent crime. These may include increased absence from school, a change in friendships or relationships with older individuals or groups, a significant decline in performance, signs of self-harm or significant change in well-being or signs of assault or unexplained injuries. Staff are aware that unexplained gifts or new possessions could also indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs.
- 24.2** At Aspire we are aware of the risks to children and will take appropriate measures to manage any situations arising.

### **25. Domestic Abuse**

- 25.1** The cross-government definition of domestic violence and abuse is: any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 or over who are, or have been, intimate partners or family members regardless of gender or sexuality. The abuse can encompass, but is not limited to: psychological; physical; sexual; financial; and emotional. All

children can witness and be adversely affected by domestic abuse in the context of their home life where domestic abuse occurs between family members.

- 25.2** Exposure to domestic abuse and/or violence can have a serious, long lasting emotional and psychological impact on children. In some cases, a child may blame themselves for the abuse or may have had to leave the family home as a result
- 25.3** Refuge runs the National Domestic Abuse Helpline, which can be called free of charge and in confidence, 24 hours a day on 0808 2000 247. Its website provides guidance and support for potential victims, as well as those who are worried about friends and loved ones. It also has a form through which a safe time from the team for a call can be booked. Additional advice on identifying children who are affected by domestic abuse and how they can be helped is available at:
  - 25.3.1** <https://www.nspcc.org.uk/what-is-child-abuse/types-of-abuse/domestic-abuse/>
  - 25.3.2** <http://www.refuge.org.uk/get-help-now/support-for-women/what-about-my-children/>
  - 25.3.3** <https://safelives.org.uk/knowledge-hub/spotlights/spotlight-3-young-people-and-domestic-abuse>

## **26. Mental Health**

- 26.1** All staff should also be aware that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.
- 26.2** Only appropriately trained professionals should attempt to make a diagnosis of a mental health problem. Staff however, are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one, if concerns are noted please record on CPOMS and alert DSL linked to school site.
- 26.3** Where children have suffered abuse and neglect, or other potentially traumatic adverse childhood experiences, this can have a lasting impact throughout childhood, adolescence and into adulthood. It is key that staff are aware of how these children's experiences, can impact on their mental health, behaviour and education.
- 26.4** Trustees should ensure they have clear systems and processes in place for identifying possible mental health problems, including routes to escalate and clear referral and accountability systems

## **27. Use of Photography**

- 27.1** We will often use photographs and film to capture achievements, monitor a child's development and help promote successes within our school. We like to have a record of all the wonderful activities our pupils take part in, as part of our induction process parent/carer consent is sought on use of appropriate images.

## **28. Policy Review – Addendum – DBS checks (May 2021)**

**28.1** The Trustees of our school are responsible for ensuring the annual review of this policy. The date the next review is due is on the front cover of this policy.

### **28.2 Disclosure and Barring Service (DBS) checks**

**28.2.1** Our selection and Recruitment Policy includes all checks on staff and volunteer's suitability who carry out any regulated activity including Disclosure and Barring Service checks as recommended by the Local Authority and in accordance with current legislation.

DBS checks are further applied in the following way:

**28.2.2** Visitors - DBS checks are not required for visitors who do not have unsupervised access to children.

**28.2.3** Volunteers - Checks are required only for those who have regular and unsupervised access to children and young people. Anyone who will be visiting once a week, or more than 4 times in a 30 day period will be deemed to be regular and carrying out any regulated activity. However, a risk assessment will be carried out where necessary on any volunteers to see if they meet the criteria for the standard or enhanced DBS.

**28.2.4** Observation Placements – Those on observation placements will be supervised at all times and have a Barred list check completed.

**28.2.5** External Staff and agencies – For visiting staff who do have unsupervised regular access to children and young people – such as educational psychologists, social workers, supply teachers, trainee teachers, nurses, sports coaches, MOD personnel and inspectors – their 'providing' organisation (for example, the supply agency, the university, primary care trust, local authority and so on) should request the check. It is sufficient, for schools and colleges to seek written confirmation that appropriate checks, including DBS checks have been carried out and by whom

**28.2.6** Other Third Party Contracted Staff – Contracted staff that come into regular contact with children and young people – such as kitchen staff – should be included on the single central record as in the case of agency supply staff, written assurances from the providing organisation

**28.2.7** Part- time staff with two or more posts – Part-time staff may use the same DBS check for two or more posts as long as they are at a similar level and the school has satisfied itself about their veracity and appropriateness.

**28.2.8** Police Officers and police staff – These people undergo more stringent checks than those for DBS and that an enhanced DBS disclosure certificate is not required in most circumstances. Police officers and staff who are visiting schools in their professional capacity are only required to produce some form of

endorsement of their status and their identity. Their official warrant card or identity card showing the appropriate photographic evidence would be quite sufficient in these circumstances.

- 28.2.9** Agency Staff are permitted access to the school site upon receipt of an assurance from the Agency that full Safer Recruitment checks have been satisfactorily completed. These members of staff have photo ID checks on arrival.
- 28.2.10** The school has a legal duty to refer to the DBS anyone who has harmed, or poses a risk of harm, to a child, or if a member of staff has committed one of a number of listed offences and has been removed from paid or unpaid work in regulated activity.
- 28.2.11** All staff have a Prohibition from Teaching Check or a Section 128 Check where relevant

## Appendix 1

Everyone who works with children has a duty to safeguard and promote their welfare. They should be aware of the signs and indicators of abuse and know what to do and to whom to speak if they become concerned about a child or if a child discloses to them.

The following is intended as a reference for school staff and parents/carers if they become concerned that a child is suffering or likely to suffer significant harm.

The Children Act 1989 defines abuse as when a child is suffering or is likely to suffer 'significant harm'. Harm means ill treatment or the impairment of health or development. Four categories of abuse are identified:

### Categories of Abuse

Child abuse is a form of maltreatment. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children people may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults, or another child or children.

#### Physical Abuse

A form of abuse which may involve; hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

#### Emotional Abuse

The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

#### Sexual Abuse

Involves forcing or enticing a child to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by

penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children. The [Brook Sexual Behaviours Traffic Light Tool](#) can be used as guidance to support professionals in identifying and responding to sexual behaviour in children.

## **Neglect**

The persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- a) provide adequate food, clothing and shelter (including exclusion from home or abandonment)
- b) protect a child from physical and emotional harm or danger
- c) ensure adequate supervision (including the use of inadequate caregivers)
- d) ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

## **Exploitation**

Exploitation is a form of child abuse and may take a number of forms:

### **Child Sexual Exploitation**

Child Criminal Exploitation (CCE) CCE is where an individual or group takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child into any criminal activity

- (a) in exchange for something the victim needs or wants, and/or
- (b) for the financial or other advantage of the perpetrator or facilitator and/or
- (c) through violence or the threat of violence.

The victim may have been criminally exploited even if the activity appears consensual. CCE does not always involve physical contact; it can also occur through the use of technology.

CCE can include children being forced to work in cannabis factories, being coerced into moving drugs or money across the country (county lines), forced to shoplift or pickpocket, or to threaten other young people.

Some of the following can be indicators of CCE:

- children who appear with unexplained gifts or new possessions;
- children who associate with other young people involved in exploitation;
- children who suffer from changes in emotional well-being;
- children who misuse drugs and alcohol;
- children who go missing for periods of time or regularly come home late; and
- children who regularly miss school or education or do not take part in education.

Child Sexual Exploitation (CSE) CSE occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child into sexual activity

(a) in exchange for something the victim needs or wants, and/or

(b) for the financial advantage or increased status of the perpetrator or facilitator.

The victim may have been sexually exploited even if the sexual activity appears consensual. CSE does not always involve physical contact; it can also occur through the use of technology. CSE can affect any child or young person (male or female) under the age of 18 years, including 16 and 17 year olds who can legally consent to have sex. It can include both contact (penetrative and non-penetrative acts) and non-contact sexual activity and may occur without the child or young person's immediate knowledge (e.g. through others copying videos or images they have created and posted on social media).

The above CCE indicators can also be indicators of CSE, as can:

- children who have older boyfriends or girlfriends; and
- children who suffer from sexually transmitted infections or become pregnant.

The department provide: Child sexual exploitation: guide for practitioners

Sexual abuse may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside clothing. It may include non-contact activities, such as involving children in the production of sexual images, forcing children to look at sexual images or watch sexual activities, encouraging children to behave in sexually inappropriate ways or grooming a child in preparation for abuse (including via the internet).

The definition of child sexual exploitation is as follows:

Child sexual exploitation is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology

We recognise that exploitation includes the trafficking of children and Modern Day Slavery. [Victims of modern slavery – frontline staff guidance](#)

## **Extremism**

Extremism is the vocal or active opposition to our fundamental values, including democracy, the rule of law, individual liberty and the mutual respect and tolerance of different faiths and beliefs. This also includes calling for the death of members of the armed forces. Radicalisation refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.

## **County Lines**

County lines is a term used to describe gangs and organised criminal networks involved in exporting illegal drugs (primarily crack cocaine and heroin) into one or more importing areas [within the UK], using dedicated mobile phone lines or other form of “deal line”.

Exploitation is an integral part of the county lines offending model with children and vulnerable adults exploited to move [and store] drugs and money. Offenders will often use coercion, intimidation, violence (including sexual violence) and weapons to ensure compliance of victims. Children can be targeted and recruited into county lines in a number of locations including schools, further and higher educational institutions, pupil referral units, special educational needs schools, children’s homes and care homes.

Children are often recruited to move drugs and money between locations and are known to be exposed to techniques such as ‘plugging’, where drugs are concealed internally to avoid detection. Children can easily become trapped by this type of exploitation as county lines gangs create drug debts and can threaten serious violence and kidnap towards victims (and their families) if they attempt to leave the county lines network.

One of the ways of identifying potential involvement in county lines are missing episodes (both from home and school), when the victim may have been trafficked for the purpose of transporting drugs and a referral to the National Referral Mechanism should be considered. If a child is suspected to be at risk of or involved in county lines, a safeguarding referral should be considered alongside consideration of availability of local services/third sector providers who offer support to victims of county lines exploitation. Further information on the signs of a child’s involvement in county lines is available in guidance published by the Home Office.

## **Child Criminal Exploitation**

As set out in the [Serious Violence Strategy](#) published by the Home Office, where an individual or group takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child or young person under the age of 18 into any criminal activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial or other advantage of the perpetrator or facilitator and/or (c) through violence or the threat of violence. The victim may have been criminally exploited even if the activity appears consensual. Child criminal exploitation does not always involve physical contact; it can also occur through the use of technology.

## Assessment Framework

(from Working Together to Safeguard Children, July 2018)

Every assessment should draw together relevant information gathered from the child and their family and from relevant practitioners including teachers and school staff, early years workers, health practitioners, the police and adult social care.

Every assessment of a child should reflect the unique characteristics of the child within their family and community context.

Each child whose referral has been accepted by children's social care should have their individual needs assessed, including an analysis of the parental capacity to meet those needs, whether they arise from issues within the family or the wider community.

Frequently, more than one child from the same family is referred and siblings within the family should always be considered.
