

19th March 2020

Dear Parent/Carer

As you now know we have had to take the decision to close the school and have since heard that this may be indefinitely.

I hope you've had the chance to visit the school website to see the resources that we have uploaded and shortly you will receive additional work either through the post or via staff members. As we have previously said, we aim to make contact with you at least once a week and during this time we will be asking about how we can support your family.

It was confirmed this afternoon that GCSE exams will not now take place in May and June, but pupils will still get qualifications. As the announcement did not say examinations would be cancelled, at this very early stage, we feel it is important to continue to work towards examinations happening later and so would encourage Year 11 students to continue to use the revision materials provided by staff at school.

I appreciate that you will have questions about school moving forwards, I wanted to assure you that we are doing all we can to ensure that our plans are well considered. At this stage, we know no more than members of the public. However, we will update you as soon as possible and wanted you to know that we will do all we can to support your family.

Thank you for your support and patience in this very challenging time.

Yours sincerely

Mr A Hearne
Acting Headteacher
